ABOUT ME

Hello, I'm **Suman Das**, a 22-year-old resident of Chandipur, West Bengal. I hold a **Bachelor of Arts degree** from **Gobardanga Hindu College.**

I am passionate about design and have honed my skills through two years of intensive training at the renowned **Learn Computer Academy** in Saptapalli, Habra. My expertise includes **Adobe Photoshop**, **Figma**, **and** **Illustrator**, and I am also **learning HTML, CSS**.

I thrive on challenges and am eager to expand my skill set further. My goal is to contribute meaningfully to a dynamic team.

Beyond the digital world, I enjoy exploring different cultures through travel and engaging in sports and social activities.

I am confident that my skills and experience align well with your team's goals.
